RSVP :valeried@charter.net or 209-765-7196

One table, two tables, three tables, four. And so many more...

Scholarship Fund Raiser

Sunday, November 12, 2023, the Turlock/Modesto Branch of AAUW and many friends gathered at the Assyrian/American Club to culminate our annual Fundraiser. We enjoyed a pleasant meal together, then listened to our speakers, young ladies who had benefitted from Tech Trek or had received a scholarship for college. All spoke well of the advantage they had derived from being acknowledged and rewarded by AAUW. They thanked us for the monetary benefit, but they were most thankful for the gift of being recognized as very able young women.

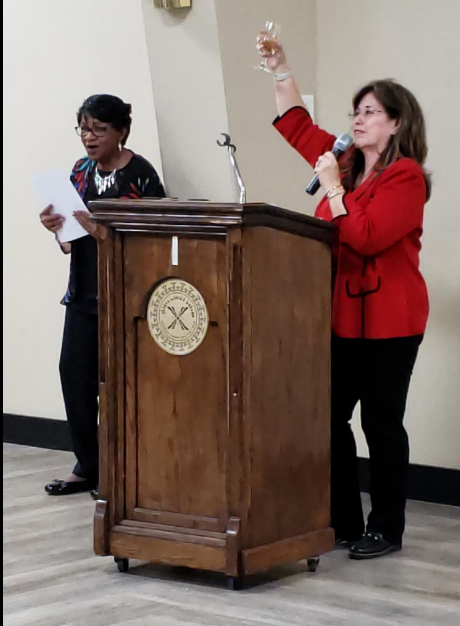

As the speakers finished, we proceeded to the silent auction and the Fund a Need challenge to polish off the evening. The initial accounting for our efforts certainly rewards all the hard work of Linda Romero-Soles and her committee for this event. First calculations show a possible profit of \$18,000. Young women in our community will certainly profit from these efforts! Wonderful work, ladies!

A toast to Pat and to all her work and play among us!

A toast to us and our success in this fund raiser!

A toast to all women far and near, as we recognize their good work!

Fight On

In the coming year, a January Zoom meeting on women's heart health is planned, more to come.

A meeting in February at the Fruityard with the Oakdale/Riverbank/ Escalon AAUW, details to follow.

Wishing all light, happiness and peace in the new year.
